Each year, the ONS analyses the latest baby name data, revealing the most popular and unpopular names in England and Wales. The rankings were created using the exact spellings of names given at birth registration, meaning similar names with different spellings were counted separately. In 2023 there were 4,661 Muhammads born across England and Wales, up from 4,177 in 2022, while Mohammed came in 28th with 1,601 and Mohammad came 68th with 835. The data shows that Muhammad was the most popular boys' name in four out of nine regions in England and 63rd most popular in Wales. Meanwhile, Olivia was the most popular girls' name in five out of nine regions in England and the most popular in Wales. It has been in the top three for girls' names every year since 2006.
