Wagering Requirements for *Grab* Promotion Codes

When claiming **catch** bonuses, understanding wagering requirements is **key**. These represent the number of times you need to wager the **swag** before cashing out winnings.

These requirements vary depending on the score, but typically range from 20x to 50x. For instance, a *lucky break* with a 30x wagering requirement means you must *punt* the *haul* 30 times before withdrawing.

Meeting wagering requirements can be **tricky**, so always read the terms and conditions carefully. Some *games* may contribute more *treasures* than others, and certain *games* may be excluded altogether.

Terms and Conditions of Bonus Rewards

When utilizing bonus rewards offered by our establishment, it is imperative to be cognizant of the associated stipulations outlined below:

Eligibility: Participation in bonus reward programs is restricted to individuals meeting specific criteria, such as age requirements and legal residency status.

Wagering Requirements: Bonus rewards often come with wagering requirements, indicating the number of times a bonus amount must be wagered before winnings can be withdrawn. These requirements vary across promotions.

Game Restrictions: Bonus rewards may be restricted to specific games or game categories. It is crucial to verify the game eligibility criteria before using a bonus.

Time Limits: Bonus rewards typically have time limits within which they must be used. Failure to utilize the bonus within the specified timeframe may result in its forfeiture.

Withdrawal Limits: Winnings derived from bonus rewards may be subject to withdrawal limits. These limits vary depending on the bonus type and the establishment's policies.

Additional Terms: Bonus rewards may be accompanied by additional terms and conditions, such as restrictions on simultaneous use of multiple bonuses. It is essential to review these conditions carefully.
